**LETTER TO ARRANGE AN INTERVIEW WITH THOSE WHO AGREE TO BE CONTACTED BUT WHO CAN NOT BE CONTACTED BY TELEPHONE**

Date

[Address]

Dear

**Re: Chlamydia Screening Study**

Thank-you for completing and returning the slip from your GP's letter stating that you are happy to be contacted with a view to being interviewed about your experience of being tested for Chlamydia.

I have been unable to contact you on the telephone and would very much appreciate it if you could telephone me during office hours on 0117 9287210 to arrange a convenient time to meet.

Just to reassure you the interview is quite informal and conversational and aimed at allowing people to express their own ideas about Chlamydia and their views of the testing process. Your views, along with those of others, will be reported in an anonymous way.

Thank-you for agreeing to do this. Your time is appreciated.

Yours sincerely

Nicola Mills  
Research Associate
